

2” COMMITTEE OF SAFETY SEAL

It takes a week or so to get a seal the cost is about \$50, someone should take the initiative to order the seal.

1776 is the birth of America, by all Committees of Safety using this year it makes a statement and shows solidarity

Take this page to Staples and order a seal changing only the name of your county. If it is too long you can abbreviate County to Co. Make sure you order a 2” seal. The orientation should be a seal that enters the paper from the left

INSTRUCTIONS TO ORDER SEAL ON LINE

It takes 7 days to receive the seal, cost \$50.00 plus tax and delivery. Space is limited on the seal so if your state and county is too long you can abbreviate CO for county.
