20 We made it clear that we are People and not a fiction or subjects:

“Plaintiff should not be charged fees, or costs for the lawful and constitutional right to petition this court in this matter in which he is entitled to relief, as it appears that the filing fee rule was originally implemented for fictions and subjects of the State and should not be applied to the plaintiff who is a natural individual and entitled to relief.” Hale v. Henkel)(201 U.S. 43)

A system of justice is an institution for the redress of grievances. It can only command the respect of a society's members if they trust that it is an impartial, equal, transparent and principled system that gives effect to the rule of law.⁶ These necessary qualities of any system of justice worthy of that name were revealed in the Magna Carta, that promised:

“To no one will we sell, to no one will we deny or defer right or justice.”

WHEREFORE, We the People demand that Lawrence K. Baerman, Clerk of Court, show cause by what authority the clerk may charge for Justice?

Or, admit to their error, return the money, and we will forgo bringing the defendant before the Grand Jury for extortion.
