

ABROGATION OF THE LAW OF THE LAND

Memorandum of Law

We the People have found a preponderance of evidence that many members of the United States Supreme Court, the Federal Judiciary, the United States House of Representatives, and the United States Senate are systematically and covertly subverting the “Law of the Land” violating the following subsections under United States Code Title 18 Section 115:

§2381 Treason: Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States.

- **§2382 Misprision of treason**: Whoever, owing allegiance to the United States and having knowledge of the commission of any treason against them, conceals and does not, as soon as may be, disclose and make known the same to the President or to some judge of the United States, or to the governor or to some judge or justice of a particular State, is guilty of misprision of treason and shall be fined under this title or imprisoned not more than seven years, or both.
- **§2383 Rebellion or insurrection**: Whoever incites, sets on foot, assists, or engages in any rebellion or insurrection against the authority of the United States or the laws thereof, or gives aid or comfort thereto, shall be fined under this title or imprisoned not more than ten years, or both; and shall be incapable of holding any office under the United States.
- **§2384 Seditious conspiracy**: If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both
- **§2385 Advocating overthrow of Government**: Whoever knowingly or willfully advocates, abets, advises, or teaches the duty, necessity, desirability, or propriety of overthrowing or destroying the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, by force or violence, or by the assassination of any officer of any

such government; or Whoever, with intent to cause the overthrow or destruction of any such government, prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching the duty, necessity, desirability, or propriety of overthrowing or destroying any government in the United States by force or violence, or attempts to do so; or Whoever organizes or helps or attempts to organize any society, group, or assembly of persons who teach, advocate, or encourage the overthrow or destruction of any such government by force or violence; or becomes or is a member of, or affiliates with, any such society, group, or assembly of persons, knowing the purposes thereof: Shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction. If two or more persons conspire to commit any offense named in this section, each shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction. As used in this section, the terms “organizes” and “organize,” with respect to any society, group, or assembly of persons, include the recruiting of new members, the forming of new units, and the regrouping or expansion of existing clubs, classes, and other units of such society, group, or assembly of persons.

They have levied war against the Constitution and thereby We the People.

Cooper v. Aaron, 358 U.S. 1, 78 S. Ct. 1401 (1958) *“Any judge who does not comply with his oath to the Constitution of the United States wars against that Constitution and engages in acts in violation of the supreme law of the land. The judge is engaged in acts of treason.”*

They have given aid and comfort to the enemy within the United States and elsewhere.

They have concealed a conspiracy to destroy our Republic.

They have engaged in actions to subvert the Government of the United States.

They have conspired to conceal “Natural Law,” a/k/a the “Law of the Land.

They have, in congruence with the teaching of the American Bar Association, the National Lawyers Guild, the American Civil Liberties Union, the National Lawyers Association, the Southern Poverty Law Center, and many other anti-constitutional associations, knowingly and willfully advocate, abet, advise, and teach that Natural Law, and thereby the Law of the Land, has been abrogated and thus have conspired to overthrow our Republic.

The courts have concealed our Natural Law Courts under Federal Rule 2 in violation of 18 USC §1001. According to the Federal Judicial Center,¹ a government agency, on September 16, 1938, pursuant to its fictional authority, under the repugnant “Rules Enabling Act of 1934” stated:

“The Supreme Court enacted uniform rules of procedure for the federal courts. Under the new rules, suits in equity and suits at common law were grouped together under the term “civil action,” [claiming that] “rigid application of common-law rules brought about injustice.” see www.fjc.gov/history/timeline/federal-rules-civil-procedure-mergeequity-and-common-law

This was an Act of Treason whereas the US Supreme Court and US Congress under the teachings and guidance of the treacherous subversive American Bar Association and the aforesaid anti-constitutional associations, in an Act of Treason, executed a silent coup by claiming the abrogation of Common Law, a/k/a “Natural Law,” with its Unalienable Bill of Rights that were endowed by our Creator and covertly substituted them with civil rights legislated by lawless men.

Miranda v. Arizona, 384 U.S. – “Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them”

¹ The Federal Judicial Center is the research and education agency of the judicial branch of the United States Government. The Center supports the efficient, effective administration of justice and judicial independence. Its status as a separate agency within the judicial branch, its specific missions, and its specialized expertise enable it to pursue and encourage critical and careful examination of ways to improve judicial administration. The Center has no policy-making or enforcement authority; its role is to provide accurate, objective information and education and to encourage thorough and candid analysis of policies, practices, and procedures, <https://www.fjc.gov/history/timeline/federal-rules-civil-procedure-merge-equity-and-common-law>.
