We all “**Pledged Allegiance to the Flag and to the Republic for which it Stands**” every day when we went to school (*unsure whether schools do that anymore, if not we must require it*) and when we attend some major events, we still have that duty! We pledged it!!!

THE COS IS THE ONLY WAY WE CAN HAVE “GOVERNMENT BY CONSENT” - “*When a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, **it is their duty**, to throw off such Government, and to **provide new Guards** for their future security.” – **Declaration of Independence***

We Change the Guard via “Recall” and or “Indictments”

ONLY THE PEOPLE CAN SAVE AMERICA: “*Who will govern the governors? There is only one force in the nation that can be depended upon to keep the government pure and the governors honest, and that is the people themselves. They alone, if well informed, are capable of preventing the corruption of power, and of restoring the nation to its rightful course if it should go astray. They alone are the safest depository of the ultimate powers of government.” – **Thomas Jefferson***

Throughout the American Colonies, our Founding Fathers used Committees of Safety to organize and communicate ideas of Liberty that lead to the founding of our Common Law Republic. We the People can follow in their footsteps by forming Committees of Safety in our County, and by God's mercy and grace, we can save our Republic. **IT’S OUR DUTY!!!**

NLA facilitates Education, Communications, and the Organizing of County Committees of Safety that will take back control of our “*Common Law Republic*” at the grassroots, where it belongs! “If people expect to be ignorant and free, they expect what never was and never will be” – **Thomas Jefferson**
