

PROPOSED QUESTIONS FOR THE SHERIFF BY THE CHAIR

We understand that many things within the literature we shared are new to you, like it was to us. (*let us not embarrass the Sheriff or candidate, let us reason with him where he errors, you can see now why you must know the Law!*)

- ❖ Have you Read our Charter, Resolutions & books that we presented to you?
- ❖ What was the most NEW profound thing that you learned and how has it changed your thinking of the Law?
- ❖ Samuel Adams said, *“The natural liberty of man is to be free from any superior power on Earth, and not to be under the will or legislative authority of man, but only to have the law of nature for his rule.”* Do you understand and agree with Samuel Adams?
- ❖ Article III of the Constitution states that the Supreme Law of the Land is Law and equity. Whereas Law is Common Law and equity is statutes. Do you understand and agree that statutes are for commercial activity and gov agencies & agents; and, Common Law is for the People?
- ❖ Do you understand that We the People elected (or will elect) you, not the county attorney, to enforce the Law and it is your duty to know the Law.
- ❖ When there is a conflict between Law and Equity will you stand on the Law, even when the county attorney disagrees?
- ❖ Was there anything you read and might have a problem with?
- ❖ The CCOS purpose is to exercise our right of “Gov by Consent,” defend the Constitution, and bring gov back under the will of the People. When called upon will you meet with us to discuss and enforce the Law of the Land?
- ❖ Will you give your cell phone number to our chairman who will “ONLY” call when the full CCOS agrees to contact you?
- ❖ Will you or one of your Deputies attend our monthly meetings in order that we can inform each other of our intentions and where differences of opinions are discovered we can find correction and unity?
- ❖ Will you stop the ATF from entering our County, that you are responsible for protecting, to execute alleged federal warrants via SWAT for a alleged debt?
- ❖ Will you require all law enforcement agencies before executing a warrant to produce a warrant with a wet ink signature supported by oaths before execution, and will you respond with them in order to make sure that they do not abuse their powers?
- ❖ Do you agree with Sheriff Brad Rogers where he said, *“A Sheriff can and should interpose for his citizens against an overreaching federal, state or local government”*
- ❖ Will you and your Deputies educate yourselves by taking the course “Court Access and The Common Law” a 90 hour course that is offered free to all Sheriffs and their Deputies?
- ❖ If you truly enforce the Law you will be met with political pressure from other elected or appointed individuals, are you up to the job to enforce the Law?
