LET THE ATTACHED PRESENTMENT BE ALSO ADDRESSED AND HEREIN SERVED UPON PRESIDENT TRUMP,
HIS ADMINISTRATION, AND THE SENATORS AND CONGRESSMEN COPIED.

Dear President Trump, et al,²

Attached please find a copy of our 4th Grand Jury Presentment to the United States Supreme Court concerning Treason at the highest level. And a copy of our letter to the clerk who have been blocking our Presentments in violation of the Law.

We realize that you and your Administration are aware of the corruption in our courts. Whereas, Article III Section 1 states that, *"The judges, both of the supreme and inferior courts, shall hold their offices during good behaviour."* We hope that enough People have awakened to possibly elect enough patriots in the upcoming 2026 mid-term-elections in both houses to start "Articles of Impeachment" to save our Republic and if not then, Executive powers are the only solution.

Unfortunately, we have seen no evidence from within your Administration that you realize the root of the problem. You can cut off the corrupt branches (*judges*) but if you do not remove the corrupt root (*ABA Accreditation Monopoly*) they will just grow back in time.

The ABA has used its position as sole national law school accreditor to push a radical ideological agenda to the detriment of lawyers, law students, and our country. They have abrogated our courts of Law and replaced it with civil law courts. They prevent anyone that is not a BAR attorney from practicing Law. The Texas Supreme Court and Florida Supreme Court have recently begun to reconsider their ABA accreditation requirements; other states should follow

¹ **Sureties of the Peace, Grand Jury:** "If anyone has been dispossessed without the legal judgment of his peers, from his lands, castles, franchises, or from his right, we will immediately restore them to him; and if a dispute arise over this, then let it be decided by the five and twenty jurors of whom mention is made below in the clause for securing the peace. Moreover, for all those possessions, from which anyone has, without the lawful judgment of his peers, been dis seized or removed by our government we will immediately grant full justice therein." - Magna Carta Paragraph 52.

suit. As long as BAR taught schools exist our Courts of Justice will never be restored. The only solution is 18 USC §2385 Advocating overthrow of Government: which states,

“Whoever knowingly or willfully advocates, abets, advises, or teaches the duty, necessity, desirability, or propriety of overthrowing or destroying the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, by force or violence, or by the assassination of any officer of any such government; or Whoever, with intent to cause the overthrow or destruction of any such government, prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching the duty, necessity, desirability, or propriety of overthrowing or destroying any government in the United States by force or violence, or attempts to do so; or Whoever organizes or helps or attempts to organize any society, group, or assembly of persons who teach, advocate, or encourage the overthrow or destruction of any such government by force or violence; or becomes or is a member of, or affiliates with, any such society, group, or assembly of persons, knowing the purposes thereof: Shall be fined under this title or imprisoned not more than twenty years, or both.”

Maybe your Administration is already awakened to the aforesaid subversion and have a plan that cannot at this time be transmitted. We certainly hope so, because if we don't root out the root of our problem our posterity will be revisited by these tyrants.

In closing, past experience with these rogue courts lead us to believe that there is no redemption in them and therefore if SCOTUS is unable to take a stand and honor their oath the burden to reestablish Courts of Justice fall upon you and your Administration.

Respectfully submitted,

Seal
