Dear Sheriff,

NLA is working with Barry County Michigan Sheriff Dar Leaf to organize and educate all County Sheriffs in order to save our "Natural Law Republic." Samuel Adams said, "If Virtue & Knowledge are dispersed among the People, they will never be enslaved. This will be their great Security." Thomas Jefferson said, "I know no safe depository of the ultimate powers of the society but the people themselves, and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education. This is the true corrective of abuses of constitutional power." This is NLA's goal "to inform the People and their Sheriff's discretion via Education!"

The enclosed book is a gift from members of National Liberty Alliance, with a desire to save our "Natural Law Republic." A weight you also must bear. Look around you. America is falling and it is incumbent upon us to restore our Republic. "We the People" are building "Committees of Safety," (COS) as our founders did to create our government, in all 3000+ counties in order to return to the "Law of the Land." When a COS is developed in your county, we are depending upon you to work with the People to bring our government back under the Constitution.

All Sheriffs take an oath to uphold and protect the Constitution. If the Sheriff then relies on a "County civil law BAR Attorney" that We the People did not elect to interpret "Natural Law," then the Sheriff violates his/her oath because we elected and vested the Sheriff to interpret the "Natural Law." Sheriffs are responsible for knowing the Law. Civil lawyers do not know the Natural Law! Natural Law is self-evident; it arises out of common sense. Sheriffs are not vested to enforce codes, regulations and statutes masquerading as laws. Sheriffs are vested to enforce justice, where life, liberty, and the pursuit of happiness are paramount. As Sheriff Brad Rogers put it "A Sheriff can and should interpose for his citizens against an overreaching federal, state or local government."

If Sheriffs take an oath and are ignorant of the Constitution and do not endeavor to understand our Founding Documents, then they violate that oath. This book gifted to you will transform you into a "Fully Informed Sheriff" who is then worthy to be our "Supreme Law Enforcer" of the county. The truths in this book are self-evident and documented with more than 1600 foot notes. To deny them would deny the "Eight Ancient Biblical Principles" that Thomas Jefferson discovered that our Republic was built upon. These principles for sound government are, (1) Self-evident Truths, THAT ARE SO OBVIOUS AND MORAL THAT THEY CANNOT BE DENIED; (2) Built upon the laws of nature and of nature's God; (3) Built upon the fact that all men are created equal; (4) That people are endowed by our Creator with unalienable rights; (5) the unalienable rights of Life, liberty, and the pursuit of happiness ARE PARAMOUNT; (6) Governments are instituted to secure these rights; (7) Government derives their just powers from the consent of the governed; (8) People have a duty to alter or abolish government destructive of these ends.
