

# MAKE AMERICA A REPUBLIC AGAIN! ONLY THE PEOPLE CAN SAVE THE REPUBLIC!

WILL YOU?

John Adams said – “Liberty once lost is lost forever”

Samuel Adams said – “*The natural liberty of man is to be free from any superior power on Earth, and not to be under the will or legislative authority of man, but only to have the law of nature for his rule.*”

Thomas Jefferson said – “If a nation expects to be ignorant and free in a state of civilization, it expects what never was and never will be. Self-government is not possible unless the citizens are educated sufficiently to enable them to exercise oversight. It is therefore imperative that the nation see to it that a suitable education be provided for ALL its citizens. I know no safe depository of the ultimate powers of the society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education. This is the true corrective of abuses of constitutional power. Educate and inform the whole mass of the people... They are the only sure reliance for the preservation of our liberty. An enlightened citizenry is indispensable for the proper functioning of a republic.”

James Madison said – “Knowledge will forever govern ignorance, and a people who mean to be their own governors, must arm themselves with the power knowledge gives.”

Samuel Adams said – “If ever a time should come when vain and aspiring men shall possess the highest seats in government, our country will be in need of its experienced patriots to prevent its ruin.”
