TO: Clerk Christina A. Gardner and Clerk Lyle W Cayce for Associate Justice Samuel A. Alito, Jr., and Clerk Patricia S. Dodszeit for Associate Justice Brett M. Kavanaugh

On October 10, 2024 We the People via our unalienable right of “Government by Consent” through a free and independent Grand Jury served upon the United States Supreme Court and each independently via their respective court of appeal circuits for an “Unprecedented Extraordinary Presentment² and an Order” to the United States Supreme Court, being the overseers of the Federal Judiciary, Article III Section 1, concerning treason at the highest level.

You were warned that, all officers of the court, or clerks that avert this “Presentment” from reaching the Supreme Court Justices by removing, mutilating, concealing, or covers up by any trick, scheme, or device these material facts herein, thereby preventing this Presentment from reaching the Justices of the “United States Supreme Court” in violation of 18USC §2071 will be held liable for aiding and abetting pursuant to 18USC §2381 and 18USC §2 whereas, notice to agent is notice to principal,³ they will be held accountable.

The Grand Jury pre agreed that any door-keeper (clerk) that violated 18 USC § 2071 would be indicted for violating 18 USC §2381 and 18 USC §2 for treason. We were clear that this Presentment was not a complaint, not a petition, not a prayer, it is a demand by the sovereigns that vested you with power under Article III §1 & §2.

Because Esquires and clerks are trained in civil law and ignorant to the “Common Law of the Land” we grace you with 20 days from the above said date to go to www.NationalLibertyAlliance.org and download a copy of the Presentment that you returned to this Honorable body and deliver a copy to Associate Justice Samuel A. Alito, Jr., and Associate Justice Brett M. Kavanaugh. After which notify us at the above address of your compliance. Failure to comply will result in indictments for treason.

TAKE JUDICIAL NOTICE:

We the people have been providentially provided legal recourse to address the criminal conduct of persons themselves entrusted to dispense justice. In the Supreme Court case of United States v. Williams, 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352 (1992), Justice Antonin Scalia, writing for the majority, confirmed that, *“The American grand jury is neither part of the judicial, executive nor legislative branches of government, but instead belongs to the people. It is in effect a fourth branch of government "governed" and administered to directly by and on behalf of the American people, and its authority emanates from the Bill of Rights. It is an institution separate from the courts, over who’s functioning the courts do not preside. The Fifth Amendment's constitutional guarantee presupposes an investigative body 'acting independently of either prosecuting attorney or judge with the power to investigate criminal wrongdoing”*
